Dear Friends of On Guard,

We are excited to inform you that The **On Guard Initiative** will be holding its 1st Annual On Guard Conference which will be held on March 18th, 2016 in West Boylston, MA. This one-day conference will bring together correctional professionals, community leaders and medical professionals to address the serious issue of Correction Officer Wellness.

The mission of the **On Guard Initiative** is to bring awareness to the importance of mental health and suicide prevention among Corrections Officers. Post-Traumatic Stress Disorder, suicide, and substance abuse are just a few of the issues that this unique and underserved population face, and education is needed now more than ever. Your generosity as a sponsor will help us come together to address the important issues that Corrections Officers are facing.

The day will include a presentation from On Guard, key note speakers, a panel discussion which includes several esteemed members of the medical and Corrections community, and education on stress and solutions for CO wellness. A luncheon will be included and we will give out the first On Guard award to a well-deserved individual who was at the forefront of CO wellness and continues to serve in their best interest.

We hope that you will consider being a sponsor for this important event. We assure you that your sponsorship will go towards On Guard's mission to serve these men and woman.

For your convenience, various levels of sponsorship and associated benefits are detailed in the Sponsorship Levels page of this package.

Thank you for your consideration. I look forward to hearing from you soon.

With deep regards,

Bryanna Mellen
